

Members of the Board of Education:

As a result of the Kings Park Education Foundation Golf Outing Fund Raiser, we have money available to support programs for the Kings Park school district.

Please provide us with a description of programs or items requiring financial funding. The following information is needed:

- An estimated cost for each program or item*
- How it will positively affect the student body*
- Other resources available and vendors*
- Organizations that would be involved*

Please include any additional comments and details that will assist in our decision making.

We have included forms for your convenience in supplying the information. We look forward to receiving this information so that we can make a donation that will support our children in the Kings Park school district.

Regards,

The Board of Directors

**Please send completed forms to
Kings Park Education Foundation
55 1st Avenue
Kings Park, NY 11754**

Description of Items/Programs

Estimated Cost of Items/Project

How does this positively affect the student body?

What other resources are available for this Item/Project

What vendors and /or organizations would be involved?

Additional comments/details.
